

Why choose us?

See for yourself what some of your neighbors have to say about their experiences with us:

“Dante was professional and efficient, willing to work hard to solve my problem. The result of his service was excellent.” — *Anonymous*

“Tony was our technician today. He arrived on time and went right to work. Everything was done very professionally. He answered all our questions and left everything as clean as it was when he arrived. Definitely a five star experience!” — *Anonymous*

*CARE protection costs \$9.58 per month (\$114.95 annually) for homes with above-ground tanks. Additional terms and conditions may apply. If your tank is buried underground, give us a call, we also have a protection plan for you. **Referred person must sign up as a heating oil automatic delivery customer. Account credit is issued once the referred person gets their first automatic delivery. Name of referee and referred person to be provided at time of sign-up. ©2023 Wallace Energy. W_23056

When it comes to home comfort services,
we've got everything you need.

The name your community **trusts** for home heating oil and comfort services.

- Since 1929, we have provided comprehensive home comfort services and programs to your neighbors throughout the local area.
- From heating and cooling services, to backup generators and more, we provide the comprehensive home services you need.
- Living and working in the same community as you, our customer service teams, drivers and technicians really do understand how to take care of your particular needs.
- Whenever you need us, we're there for you, from the depths of winter to the height of summer— 24/7, every day, all year!

It's this and our local, hometown community spirit that other home comfort companies have difficulty matching.

We're your first choice for all of your home comfort services.

Home Heating Oil Services

You're our #1 priority, that's why we have a range of heating oil programs and services all designed with you mind:

- **Get your oil delivered automatically, right on time!** Our computer models predict when you need it, so you won't have to check your gauge again.
- **24-hour emergency service**—in any weather!

Our flexible pricing and payment plans will fit your needs and help you save, including:

- **Ceiling Plan**—Puts a limit on how high your price can go while allowing it to fall if market conditions allow.
- **Variable Plan**—This pricing plan fluctuates with the market.
- **SmartPay**—Helps you manage your annual energy costs by spreading them into easy monthly payments.
- **None of our plans require enrollment or sign-up fees!**

Enjoy total protection and total peace of mind in the unlikely event of an oil tank release on your property with our CARE® and ProGuard™ environmental protection programs.*

Air Conditioning Services

Count on us to help you keep cool and save during the summer months with:

- Professional installation and service
- **FREE** estimates with a service plan
- Inspections and tune ups
- Payment and financing plans to help you save

Home Comfort System Sales & Service

Our local, licensed professionals can take care of all your home heating and cooling system installation needs:

- Our range of **comprehensive heating and AC system service plan options** can help prevent any potentially costly repairs and provide total peace of mind, all year round.
- We've got the latest energy-efficient home heating and AC system options to help you save money and go green.
- Our attractive financing options, including \$0 down and low monthly payments, can really help with new system installations to make payments more affordable.

Propane Services

From heating your swimming pool or hot tub to heating your home and laundry, we're the company you can trust to provide all of the home propane services you need, all year round, including:

- Dependable automatic delivery
- 24-hour emergency service
- Nationally certified service technicians and drivers
- Professional heating and hot water equipment installation
- No hidden fees

Generator Services

Our generator options and services ensure that any power outage won't interrupt your every day routine:

- Sales and installation
- Financing options
- Reliable service and maintenance
- Licensed technicians

Chimney Services

Our team will ensure that your chimney is clean to keep your home safe and healthy with:

- Chimney, boiler, furnace and wood burning stove repairs
- Cleaning for more efficient fuel use
- Installation of new liners, caps and dampers
- Masonry restoration
